Find enclosed Pdf Proof 1 at 100% for the Pages (i – viii) of the IWA Entrepreneurs Book.

I have dropped in the portraits, contact box text and pull-out quote text supplied to date.

Below is a list of things still to be actioned. As before, the document has not been top and tailed yet, nor have the orphans and widows to be sorted out:

- All – Name of Publication – RD
- All – Subheads for all text – RD
- All – Check all quote 66's and 99's – RD
- Page vi – credits page to be set – JW
- Page 5 – Biotrace needs another picture or two – JW/RD
- Page 11 – Leekes requires images (except portrait) – RD
- Page 24 – Portrait required of Mark Watkin-Jones – RD
- Page 31 – Maelor requires images – RD
- Page 32 – Portrait required of Tim Wright – RD

Please read through carefully, mark clearly in red pen any amendments and/or additions, duplicate the document and sign this label before returning to me ASAP.

Kind regards

James WOOD
